

# Ontario College of Social Workers and Social Service Workers PHIPA Toolkit Order Form

On November 1, 2004 the Ontario Government passed new privacy legislation that will help keep personal health information private, confidential and secure by imposing rules relating to its collection, use and disclosure. The legislation is referred to as the *Personal Health Information Protection Act, 2004* (PHIPA). The College created the PHIPA Toolkit to help Social Workers and Social Service Workers understand the legislation and their obligations under it. The Toolkit has been distributed to all members of the College.

The Toolkit is available to download from the College's website ([www.ocswssw.org](http://www.ocswssw.org)) or additional copies can be ordered for \$15.00 each. **Payment must be received before the Toolkit is mailed.** Please make cheques payable to the Ontario College of Social Workers and Social Service Workers.
