9. Course Content of Degree Program

In order to assess whether you have a combination of academic qualifications and practical experience that is substantially equivalent to the qualifications required for a degree in social work from a social work program accredited by the Canadian Association of Schools of Social Work, the College requires a detailed description of the courses for your degree for which you obtained credit. Please refer to the **Registration Guide** for a description of the criteria which will be used to make this assessment.

A. The College requires a detailed description of the course credits for your degree in order to assess the percentage of course credits in the liberal arts, humanities and social sciences.

On the following pages, please list all the courses for which you obtained credit, identifying those which are in the liberal arts, humanities and social sciences. Note that you **MUST** provide with your completed application form a copy of the academic institution's official course calendar for the actual year(s) the courses were completed. Under the section Brief Description of Course Contents, please reference the page number in the course calendar where the course description can be found.
